

An invite to our Parents & Carers Breakfast Meeting Friday 13 February, 9-10am

We are hosting our half-year Annual General Meeting (AGM) on **Friday 13 February, 9am - 10am**. After drop-off, come and enjoy a cuppa and pastry, learn about the setting's achievements from the last year, our plans for the next year and meet other parents & carers who are part of the Westview Playgroup community.

Every adult attendee will be entered into a draw to win a free session's (3hrs) worth of care for your child at the setting.

We need you to join the Committee

Westview Playgroup is a registered charity, this means the work that our staff do is guided by a voluntary committee of parents/community members.

In Summer 2026, some of our current committee will be stepping down, so we need new committee members to support the setting to thrive. **We will be looking for a new Chair and Treasurer without these positions being filled, we will be unable to keep the setting open.**

Please bring any family members (e.g grandparents/aunties or uncles!) that may be interested in joining the committee to our half-year AGM on 13 February.

What does it mean to be a committee member?

We're a friendly bunch who meet 6 times a year on Zoom for 90 minutes. At these meetings we discuss topics that are relevant to the running of the setting (for example, we monitor the finances and we discuss how we can better promote the setting either via local events/comms or via social media).

There are some actions that committee members also do in their own time - for example, supporting marketing and helping at fundraising events/stay and plays. It works out at about 2hrs per month.

Legally, we cannot exist without a committee of parents/family members who are associated with children at the setting.

About the role of The Chair & The Treasurer

These two roles are crucial to the governance of the organisation. They require about a day per month of time and would be perfect for someone with capacity to play more of a charitable role in their local community.

If you or someone in your family might make a brilliant committee member, please ask them to join us at the AGM to learn more or contact our Chair Hannah hannah@hannahbird.net
